

## Price List

# Silent Cube Compact

The Silent Cube Compact solution is ideally suited for installations with low to average storage needs. All its components are integrated into a thermally-optimized and compact cube (half 19-inch width, 6 HU) – an extremely space-saving and energy efficient solution. Its four redundancies, two power units for redundant power supply, and two Gigabit Ethernet interfaces to

enable expansion with additional long-term storage units makes it not only ultra-secure but also highly flexible.

The included Compliance Option adds compatibility with a range of Approved Solutions as well as the output of electronic receipts for proving revision-safety.

### Highlights

- *Silent Cube Compact hard-disk based long-term storage*
- *Quadruple-redundant hard disk drives with WORM hardware and integrated Digital Audit*
- *Optimized for maximum security, lowest energy consumption and minimum administrative efforts*
- *Scalable and modular*
- *Includes Compliance Option and software for second site replication*

## Sample configurations

### 1 Single setup 2 TB net

- 1x Silent Cube Compact 2 TB

**EUR 7,990.–**

plus SLA p.a. EUR 1,438.20

### 2 Replicated setup, 2x 16 TB net

- 2x Silent Cube Compact 8 TB
- 2x Silent Cube 8 TB

**EUR 40,960.–**

plus SLA p.a. EUR 7,372.80

### Silent Cube Compact - revision-safe archival storage

---

- Integrated head unit with internal SSD memory for cache and Cube Manager software
- Integrated quadruple-redundant long-term storage with 12 hard disk drives (4 each from 3 different vendors) and WORM hardware data sealing
- Includes compliance option to verify the integrity of all stored data

Silent Cube Compact 2 TB net / 3 TB gross with 80 GB SSD for cache and software	Art.No. 7052	<b>EUR 7,990.-</b>
Silent Cube Compact 4 TB net / 6 TB gross with 120 GB SSD for cache and software	Art.No. 7054	<b>EUR 9,990.-</b>
Silent Cube Compact 8 TB net / 12 TB gross with 240 GB SSD for cache and software	Art.No. 7058	<b>EUR 12,490.-</b>

### Silent Cube long-term storage - four times the security

---

- Quadruple-redundant hard disk drives with WORM hardware
- 2 energy-saving hard disks, 4 each from 3 different vendors (epidemic failure protection)
- Consumes less than 2 watts of energy in standby mode
- Half 19-inch width, 6 HU (rack mount optional)

Silent Cube storage unit 4 TB net / 6 TB gross	Art.No. 7003	<b>EUR 4,790.-</b>
Silent Cube storage unit 8 TB net / 12 TB gross	Art.No. 7002	<b>EUR 7,990.-</b>
Silent Cube storage unit 16 TB net / 24 TB gross	Art.No. 7009	<b>EUR 11,990.-</b>
Silent Cube storage unit 24 TB net / 36 TB gross	Art.No. 7007	<b>EUR 14,990.-</b>
Rack shelf for up to 6 Silent Cubes / Compact	Art.No. 7008	<b>EUR 249.-</b>

### Compliance Options

---

- Interfacing to any Approved Solution
- Provides the 512-bit SHA-2 hash code (electronic receipt) serving to verify storage
- Able to process archiving reports with signed timestamp (upon request)
- One-time only installation (also when replicating with the integrated software)

Compliance Option   Additional volume types with retention date and versioning		included
TimeStamp Option   Archiving reports with signed timestamp*	Art.No. 7005	<b>EUR 495.-</b>
SAP/ArchiveLink Option   SAP Content Server for direct archiving from SAP	Art.No. 7006	<b>EUR 2.990.-</b>

### Service Level Agreement

---

- Integral component of each Silent Cubes installation
- Standard 5-year contract term, extends at constant prices
- On-site service by FAST LTA and certified partners, includes all hardware components and software updates

SLA (prorated from total list price) with 5 years contract	Art.No. 7200	<b>18% / year</b>
--	--------------	-------------------

\*Contract with AuthentiDate required at additional costs.

**Each installation coupled with a mandatory service level agreement.**
