

Price List

Silent Cubes

The Silent Cubes storage system consists of a Head Unit (rack mountable server or VMware version) serving as the interface to your network, plus up to 128 Silent Cube storage units.

The Compliance Option adds connection to a range of Approved Solutions as well as the output of electronic receipts for proving revision-safety.

Individually configurable volumes (reserved storage areas) and network shares (with variable access rights) ensure problem-free interoperability with software solutions.

Highlights

- *Silent Cube hard-disk based long-term storage*
- *Quadruple-redundant hard disk drives with WORM hardware and integrated Digital Audit*
- *Optimized for maximum security, lowest energy consumption and minimum administrative efforts*
- *Scalable and modular*
- *Includes software for second site replication*

Sample Configurations

1 Single setup, 4 TB net

- 1x Silent Cube 4 TB
- 1x Head Unit C4
- 1x Compliance Option

EUR 11,770.–

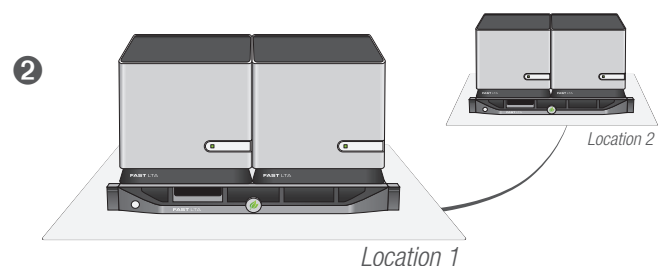

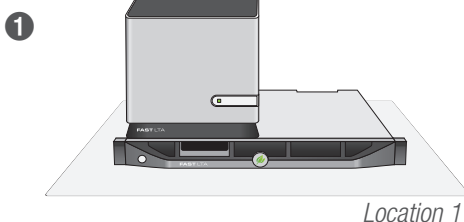

plus SLA p.a. EUR 2,154.60

2 Replicated setup, 2x 48 TB net

- 4x Silent Cube 24 TB
- 2x Head Unit C4
- 1x Compliance Option

EUR 70,430.–

plus SLA p.a. EUR 12,4771.40

Silent Cube long-term storage - four times the security

- Quadruple-redundant hard disk drives with WORM hardware
- 2 energy-saving hard disks, 4 each from 3 different vendors (epidemic failure protection)
- Consumes less than 2 watts of energy in standby mode
- Half 19-inch width, 6 HU (rack mount optional)

Silent Cube storage unit 4 TB net / 6 TB gross	Art.No. 7003	EUR 4,790.-
Silent Cube storage unit 8 TB net / 12 TB gross	Art.No. 7002	EUR 7,990.-
Silent Cube storage unit 16 TB net / 24 TB gross	Art.No. 7009	EUR 11,990.-
Silent Cube storage unit 24 TB net / 36 TB gross	Art.No. 7007	EUR 14,990.-
Rack shelf for up to 6 Silent Cubes / Compact	Art.No. 7008	EUR 249.-

Head Unit – the interface to your archiving solution

- Connects via NFS or SMB/CIFS with Active Directory support
- Manages up to 128 Silent Cube long-term storage units (virtual volumes and shares)

Head Unit C2 (Dual Core CPU) 19 inch, 2 HU, 1 TB cache (net), 2x Gigabit Ethernet, 1x power supply	Art.No. 7001	EUR 2,990.-
Head Unit C4 (Quad Core CPU) 19 inch, 1 HU, 1 TB cache (net), 4x Gigabit Ethernet, 2x power supply	Art.No. 7101	EUR 3,490.-
Head Unit for VMware® Software for VMware ESXi	Art.No. 7010	EUR 2,290.-

Compliance Options

- Interfacing to any Approved Solution
- Provides the 512-bit SHA-2 hash code (electronic receipt) serving to verify storage
- Able to process archiving reports with signed timestamp (upon request)
- One-time only installation (also when replicating with the integrated software)

Compliance Option Additional volume types with retention date and versioning	Art.No. 7004	EUR 3,490.-
TimeStamp Option (requires Compliance Option)		
Archiving reports with signed timestamp*	Art.No. 7005	EUR 495.-
SAP/ArchiveLink Option (requires Compliance Option)		
SAP Content Server for direct archiving via ArchiveLink	Art.No. 7006	EUR 2,990.-

Service Level Agreement

- Integral component of each Silent Cubes installation
- Standard 5-year contract term, extends at constant prices
- On-site service by FAST LTA and certified partners, includes all hardware components and software updates

SLA (prorated from total list price) with 5 years contract	Art.No. 7200	18% / year
--	--------------	-------------------

*Contract with AuthentiDate required at additional costs.

Each installation coupled with a mandatory service level agreement.
